

PRIVATE SWIMMING POOLS

SECTION 5.06 RECREATION

5.060 Swimming Pools (Zoning Bylaw)

5.0600 Private Swimming Pools - In-ground or above ground swimming pools, 24 inches deep or greater, may be considered accessory to the use of a dwelling unit provided such pool is used only by the residents of the premises and their guests, that **no portion of the water area be closer than 20 feet to the front, any side or rear lot line.**

FENCING

The pool must be securely fenced in accordance with section 421.10 of the Massachusetts State Building Code, Sixth Edition. **Metal fences within 5 feet of water's edge must be bonded!**

BONDING/ELECTRICAL

Pools and enclosures must be bonded and/or wired in accordance with the State Electrical code. For further electrical requirements and information, contact the Electrical Inspector. A licensed electrician is required to perform the work.

TITLE V

Under Title V of the State Sanitary Code, underground pools must be installed at least twenty (20) feet from the soil absorption system and at least ten (10) feet from the septic tank.
